Manager at Rapid Car Wash  
12/26/2022

To whom it concerns,

I am writing this letter to recommend Jason Caton for admission to your college. I have been Jason's manager for approximately 6 months now at Rapid Car Wash while he worked here as a car wash attendant. Jason is undoubtedly one of the best employees we have had here in my entire time managing this business. He has come into work on his days off multiple times to help the company with staffing shortages and has never once called in sick in the entire length of his employment. Jason is very punctual and here on time every day ready to work. Jason is incredibly hardworking and has displayed excellent and sound judgement on numerous occasions especially when dealing with very stressful situations. He is of very strong character and finds working with others to be easy.

Jason has talked about his academic goals throughout his time here and his desires to further his career as he moves forward in life. I wholeheartedly believe that he would be the perfect candidate for your college and I highly recommend him. I can confidently say that you will feel the same as I do regarding Jason's character. I would be more than happy to help with any further questions and can be reached at [kyle@soehner.net](mailto:kyle@soehner.net).

Sincerely,

Kyle Soehner
